Hi Joe-

I'm curious if there have been any changes with the [REDACTED] case scheduled for trial on Thursday, October 7th? If I recall correctly, I believe you said that you thought that this case may be worked out short of trial? The reason I'm asking is because a Superior Court ADA from Springfield has asked me about my availability for the afternoon of the 7th (see forwarded email below). I wish I could say that the ADA is on top of things and knows what is going on, but, unfortunately, I can't. If the case is still on, would it be possible to get me on the stand before lunch so I could then get to Springfield by 2-2:30 or so? Thanks.

The case of [REDACTED] will be impanelled on Wed. October 6, 2010. This is a definite trial. You will be needed on Thursday in the afternoon. Is this a problem? John Bryson.
